

# Parent Night: **May 3rd** **Cybersafe from** **Exploitation**

Come learn about all forms of sexual exploitation, the current trends, warning signs, and how they are specifically affecting students of the Coquitlam school district. This presentation will provide engaging and relevant information and tangible strategies through games and activities.

## What is exploitation?

Most often referred to as "sexual exploitation", it involves a minor exchanging a sexual act for something in return. In Canada, this is illegal but never the fault of the minor. With over 90% being facilitated online, sexual exploitation is affecting teens of all backgrounds and genders.

## Forms of digital sexual exploitation

- Pressures into sexting
- Sending nudes online
- Digital blackmail into sextortion
- Online grooming by predators
- Making money off of sexual posts
- OnlyFans
- Andrew Tate and e-pimping
