Fundraising Using Feature Length Films

District License

SD43 has a district-wide license (until October 31, 2024) with ACF.

- ✓ PACs should choose movies from studios represented by ACF to take advantage of the district license. Link to ACF-represented studio list: https://acf-film.com/documents/ACF_EN-Studios.pdf
- ✓ Not-for-profit fundraising may occur within an indoor setting, on school premises, to raise funds for school-related purposes.
- ✓ Presentations must be for the general school community and not open to the general public.
- ✓ Advertising must be non-commercial in nature and restricted to school-related media (newsletters, Facebook, Twitter, etc.).

Acquiring Films

Films must be legally obtained copies. This includes copies from public libraries, retail stores, etc. PACs can also use movies available on the ACF Streaming Service at <https://streaming.acf-film.com/audiocine> (access available on school premises only).

Reporting Viewings

If you use the [ACF Streaming Service](#), then no report is necessary.

However, if you show a film in another format, e.g. DVD, Blu-Ray—the **date and context of showing, and the title and the studio of the film**—must be reported via <https://bit.ly/SD43ViewingReport>.

Supervision

Access to [ACF Streaming Service](#) should “always be done under the supervision” of an adult.

Questions

Please see the attached FAQ.

For more information, or if you have additional questions, please contact Heather Daly, hdaly@sd43.bc.ca.

FREQUENTLY ASKED QUESTIONS

What do I need to do if I want to show a motion picture for entertainment or non-educational purposes?

Visit the [ACF Streaming Service](#) (access available on school premises only) to choose a motion picture. From school premises, a password is not required for access to the ACF Streaming Service.

What if the movie I want to show is not on the ACF Streaming Service?

Schools and/or PACs can obtain DVDs/Blu-Rays from stores or public libraries, etc. Movies shown must be from ACF-represented studios. [Click here](#) to see an alphabetical list of all distributors and producers covered by ACF.

Can I use Netflix, iTunes, Crave, Disney+ etc.?

No – showing movies from subscription services in schools is governed by the terms of the agreement between the subscriber and the subscription service. If the agreement provides that use is limited to “personal” or “household” use, school use is not permitted.

Do I need to order films from ACF?

No - you can show films from the [ACF Streaming Service](#) (available on school premises only) or obtain DVDs/Blu-Rays from stores or public libraries, etc.

Can I host a virtual movie night over Teams?

No - performances must be indoors on physical school premises.

Can I invite the public to a movie presentation if I make the performance free?

No - movie presentations may not be open to the general public. The license allows for presentations for the general school community i.e., teachers, students, parents and siblings.
