

Digital Safety Checklist for Kids

Keep Your Info Safe

- Don't share your name, address, or school online.
- Use strong passwords and keep them secret.

Be Kind Online

- Say nice things to others.
- If someone is mean, tell an adult right away.

Stranger Danger

- Never talk to strangers online.
- Don't share pictures or personal info.

Smart Social Media

- Keep your account private.
- Only add people you know in real life.

Gaming Safety

- Don't share secrets in game chats.
- Block anyone who is rude or asks for info.

Screen Time Balance

- Take breaks and play outside too!
- Don't spend all day on screens.

Talk to Your Parents

If something feels weird online, tell your parents. Ask for help when you're not sure
